THE PUBLIC SERVICE COMMISSION OF  
SOUTH CAROLINA  
DOCKET NO. 2000-25-T - ORDER NO. 2008-616  
SEPTEMBER 9, 2008

IN RE: Application of Mott's Transportation, Inc.,	)	ORDER GRANTING
1131 Old Church Road, Cordesville, South	)	REINSTATEMENT OF
Carolina 29434 (District 6) for a Class C	)	CERTIFICATE
Charter Bus Certificate	)	

This matter comes before the Public Service Commission of South Carolina (the "Commission") by way of a request filed by Mott's Transportation, Inc. ("Applicant" or "Mott's") to reinstate Class C Charter Bus Certificate No. 0109. Certificate No. 0109 was issued to Mott's pursuant to Commission Order No. 2000-0079, dated January 20, 2000, which granted the Applicant authority to render motor passenger service.

On April 9, 2007, the South Carolina Office of Regulatory Staff (ORS) filed a Motion for Immediate Suspension of Charter Bus Certificate of Mott's requesting the Commission suspend, pursuant to 26 S.C. Code Ann. Regs. 103-175 (Supp. 2007), the Certificate of Mott's for failure to maintain and file evidence of insurance as required by S.C. Code Ann. § 58-23-910 (Supp. 2007) and 26 S.C. Code Ann. Regs. 103-175 (Supp. 2007). The Commission granted ORS' motion and suspended the Applicant's Certificate of authority to operate as a motor vehicle carrier (Certificate No. 0109) by Order No. 2007-300, dated May 3, 2007.

By application received August 15, 2008, the Applicant requests that the Certificate in question be reinstated. Concurrently, the ORS filed opposition to Mott's

request for reinstatement. According to ORS, before reinstatement is granted to Mott's, the Applicant needed to obtain and provide to ORS a current State Transport Police safety audit, among other things. ORS advises that Mott's has failed to provide the required information and therefore opposes reinstatement of the Certificate.

The original Application filed by Mott's Transportation, Inc., which the Commission approved by Order No. 2000-0079, provides documentation regarding the Applicant's stated knowledge of and commitment to abide by all relevant statutes and Commission regulations; therefore, the Commission finds that Mott's Certificate should be reinstated contingent upon the Applicant's submittal to ORS of evidence of a new safety audit. Accordingly, the suspension of the Applicant's Certificate should be lifted, and the Certificate should be reinstated, subject to compliance with all the applicable statutes and the Commission's Rules and Regulations.

IT IS THEREFORE ORDERED:

1. That Class C Charter Bus Certificate No. 0109 in the name of Mott's Transportation, Inc. be, and hereby is, reinstated, subject to compliance with all Commission Rules and Regulations.
2. That all operating rights authorized under the Certificate are hereby reinstated, subject to compliance with all applicable statutes and the Commission's Rules and Regulations.
3. That prior to compliance with the applicable statutes and the Commission's Rules and Regulations, including the requirements of filing with the

Office of Regulatory Staff proof of appropriate insurance and an acceptable safety rating, the motor carrier services authorized by the Certificate shall not be provided.

4. That failure of the Applicant either (1) to complete the certification process by complying with the Commission requirements of causing to be filed with the Office of Regulatory Staff proof of appropriate insurance, an acceptable safety rating and such other information required by law or (2) to request and obtain from the Commission additional time to comply with the requirements of the Commission as stated above, may result in the authorization approved in this Order being revoked.

5. That this Order shall remain in full force and effect until further Order of the Commission.
